

Young Naturalists' Newsletter

Welcome to the Young Naturalists!!!!

The Young Nats Club is for boys and girls ages 7 to 12 years old. Younger and older children are welcome, however ages under 7 must be accompanied by an adult during each meeting. We meet on the last Sunday of each month (except October) at the Grey Sauble Conservation Administration Centre located at 237897 Inglis Falls Road from 2:00 pm until 4:00 pm. The program operates from September to June—please note there is no meeting in December. Parents or guardians are welcome to stay and participate or volunteer if they wish.

Please have your parents or guardian fill in the registration, health and release forms and return them either by mail or bring the forms with you to our first meeting on September 26th. Registration will be based on first come first served basis.

The Young Nats Club is preparing for another interesting year!
We are planning: hikes, hands on activities, exploring, games, guest speakers and trips.
Proper clothing and footwear is recommended—be prepared for mother nature!
