" The Pottawatomi Memorial Forest has grown with my family and is a special place to us! We love to meander through the Memorial Forest and hike along the bottom of the escarpment cliff. I always stop to look at my dad's name on the plaque, where I reflect and share my dad's stories with my children. Thank you for creating this Memorial Forest."

A LIVING MEMORIAL TO HONOUR

A FRIEND OR LOVED ONE

Grey Sauble Conservation Foundation
will plant a tree in one of the three
Memorial Forests.
The name of your friend or loved one
will be on a plaque placed at the
designated Memorial Forest.

Purchase a Living Memorial in Memory of a Friend or Loved One

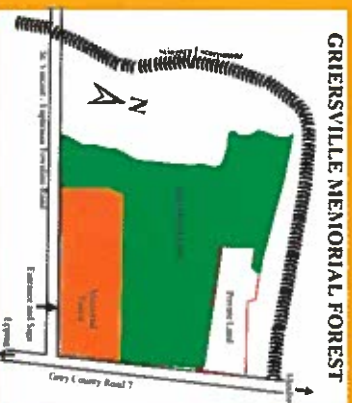

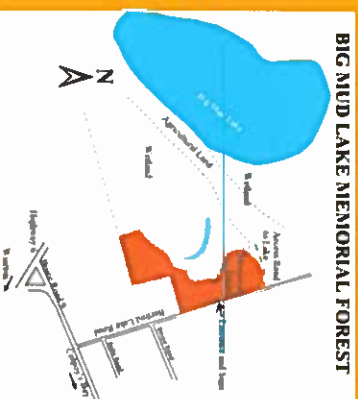

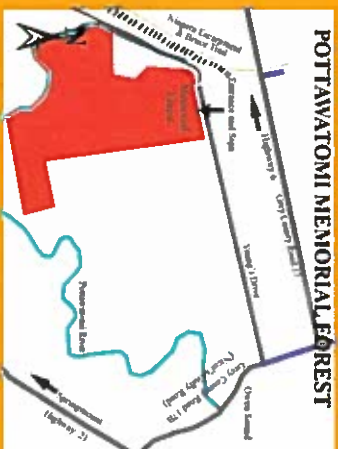

Purchase a Tree for \$60.00 in memory of a loved one. Pick one of three Memorial Forests on Grey Sauble Conservation lands.

1. Pottawatomni Memorial Forest (Owen Sound)
2. Big Mud Lake Memorial Forest (Warton)
3. Griersville Memorial Forest (Meaford)

The tree is not identified with a specific plaque but names are placed at the display sign at each Memorial Forest Site. A "Book of Remembrance" is on display at the Grey Sauble Conservation Administration Centre with the name of the honoured one, who purchased the tree, and the year the tree was planted.

In June, a dedication ceremony is held at the Grey Sauble Conservation Administration Centre for the families and the purchasers of the memorial trees. At the end of each ceremony a commemorative tree is planted at our Administration Centre and represents all the trees planted that year.

When you purchase your tree, a memorial card will be sent to the next of kin acknowledging the purchaser. Trees purchased after March 31 will be planted the following year.
