Landscape Stock Program Spring 2018

Grey Sauble Conservation is once again providing municipalities and landowners with the opportunity to purchase landscape stock for the spring of 2018. This service provides quality landscape stock at lower costs due to bulk purchasing.

The landscape stock order form is enclosed. If you wish to take advantage of this service, please complete and return this form to our office. **The deadline for submitting an order is March 23, 2018.**

Program Guidelines

1. Nursery stock is only provided for spring planting.
2. There is no guarantee that the nursery stock listed will be available.
3. **Grey Sauble Conservation assumes no responsibility for the survival of the landscape stock.**
4. This program is being operated on a cost recovery basis with no additional cost or subsidy provided by Grey Sauble Conservation.
5. **Applicants will be invoiced for the landscape stock by March 30, 2018. Payment must be received prior to pickup of nursery stock.**
6. The applicant will be notified of the date and time for pickup of the trees (usually mid-April).
7. The applicant, in entering into this program, agrees to:
 - a) pay the invoice prior to picking up the trees;
 - b) pick up the trees when notified; and
 - c) provide reasonable care in the transporting, planting and subsequent tending of the nursery stock.
8. **If the applicant is sharing an order with friends or family, please note that the applicant assumes the responsibility for paying for & picking up the entire order.**
9. **If an applicant cannot pick up the tree order, an alternate tree pickup name and phone number must be provided on the application.**
10. **Please note; there is a 10% re-stocking fee charged on any cancelled orders.**
