Permitted Activities

All Grey Sauble Conservation lands are protected by the Conservation Authorities Act. Provincial regulations are in place to protect and conserve our natural resources for future generations. Permitted activity signs are posted at most access points. These signs reflect activities that are permissible and activities not list are considered prohibited. Conservation Area Provincial Officers Officers are available to answer your questions regarding regulations or to report an offence by calling our office at 519-276-3074.

Conservation Area Regulations

- Please be aware that you use Grey Sauble Conservation lands at your own risk. Conservation Lands are closed from sunset to sunrise and overnight camping is not permitted.
- No person shall cause wildlife damage in the park area, including buildings, trees, shrubs and wildlife, or perform any act likely to cause injury to any other person using the park.
- Hunting according to Provincial Regulation may be allowed in some areas. I refer to flats.
- Please use receptacles provided by the GSCA for disposing garbage, or take your garbage out with you.
- All users of Conservation Lands are responsible for knowing the regulations.
