Application Type (Please check all that apply to this application):

	Building
☐	New Structure
☐	Expansion or Conversion of an Existing Structure
☐	New Septic System
☐	Change of Use
☐	Site Plan Approval

	Planning (applicant initiated)
☐	Minor Variance
☐	Official Plan Amendment
☐	Consent/Severance Application
☐	Zoning By-law Amendment Application
☐	Subdivision/Condominium Application

Brief Description of the Proposed Use of Land, Proposed Buildings or Structures

_____

_____

_____

_____

_____

Potential Threat Activities Associated with the Application

Please check all applicable activities that may be associated with the development proposal:

Waste Storage or Disposal

- ☐ Application of hauled sewage to land
- ☐ Storage of raw, untreated liquids and solids that are pumped out of septic systems and holding tanks (not including septic tanks)
- ☐ Storage and/or disposal of oils, hazardous waste, liquid industrial waste, industrial/commercial waste or PCB waste

Septic Systems

- ☐ Septic system – residential or small-scale commercial/industrial/institutional use
- ☐ Septic system – commercial/industrial/institutional use, greater than 10,000 litres per day, including lagoons
- ☐ Stormwater management facility (treatment, retention, infiltration or control of stormwater)

Agricultural

- ☐ Application and/or storage of agricultural source material (manure)
- ☐ Application and/or storage of non-agricultural source material (e.g. biosolids, commercial food wastes, etc.)
- ☐ Application and/or handling and storage of fertilizers and pesticides
- ☐ Grazing/pasturing and/or outdoor confinement yards for livestock

Chemical Handling and Storage

- ☐ Paints and other coatings (i.e. stains, enamels, lacquers, rust paint)
- ☐ Dry-cleaning chemicals
- ☐ Automotive repair/maintenance and/or other manufacturing and processing (e.g. degreasers, automotive fluids, oils, furniture stripping products, chemical solvents, adhesives)
- ☐ Solvent-based degreasers or metal parts washing liquids

Road Salt Handling and Storage and Snow Storage

- ☐ Road salt storage – outside greater than 500 tonnes
- ☐ Snow storage – below grade in an area larger than 0.01 hectares (10x10m)
- ☐ Snow storage – above grade in an area larger than 1 hectare (100x100m)

Fuel Handling and Storage greater than 250 litres

- ☐ Liquid fuel (i.e. gasoline or diesel)
- ☐ Fuel oil (home heating)

Transport Pathways

- ☐ Geothermal system – vertical or open loop system
- ☐ New well
- ☐ Aggregate pit

Water Taking – Municipality of Brockton only

- ☐ Permit to Take Water – greater than 50,000 litres per day water taking
- ☐ Private well
- ☐ Recharge reduction – creation of impervious surfaces

Declaration (Owner or Applicant) or Person Engaged in Activity

Applicant or Authorized Agent

I, _____, declare that the information contained in this application and all attached documentation is true to the best of my knowledge.
