TERMS AND CONDITIONS

1. Any permission, if granted by Grey Sauble Conservation Authority, will expire 24 months from the date of issue, unless specified on the permit. No further work will be carried out on the project that is the subject of this application beyond the date of expiry without prior written approval of the extension of the expiry date by Grey Sauble Conservation Authority (renewal fees may apply).
2. Permission granted by Grey Sauble Conservation Authority cannot be transferred without prior written approval by Grey Sauble Conservation (processing fees may apply).
3. Approvals, permits, etc., may be required from other agencies prior to undertaking the work proposed. Grey Sauble Conservation Authority permission, if granted for the proposed work, does not exempt the owner/agent from complying with any or all other approvals, laws, statutes, ordinances, directives, regulations, etc., that may affect the property or the use of same.
4. Should the information provided on or with this application be untrue or incorrect, or become untrue or incorrect, the Grey Sauble Conservation Authority reserves the right to withdraw any permission granted based on the information originally provided. Grey Sauble Conservation Authority may elect to proceed with further action to have the works modified or removed, in whole or in part, at the cost of the applicant.
5. The owner and applicant agree:
 - (a) to indemnify and save harmless on a solicitor and client basis, the Grey Sauble Conservation Authority and its officers, employees or agents, from or against damage, loss, claims, demands, actions and proceedings, arising out of or resulting from any act or omission of the owner and/or applicant or any of their agents, employees or contractors relating to any particulars, terms or conditions of this Permit;
 - (b) that this Permit shall not release the applicant from any legal liability or obligation and remains in force subject to all limitations, requirements and liabilities imposed by law;
 - (c) that all complaints arising from the execution of the works authorized under this Permit shall be reported prior to the expiration of this Permit.

DECLARATION

I/we certify that I/we will abide by Ontario Regulation 41/24 as may be amended from time to time. I/we agree to allow representatives of Grey Sauble Conservation Authority onto the site of the proposed work so that they may obtain information pertaining to the application and to review the work. I/we further agree to undertake to obtain, at my/our cost, further information, studies, reports, etc., prepared by others, if such is required by Grey Sauble Conservation Authority to properly review the application.

NOTICE TO APPLICANT

Pursuant to bill 49, The Municipal Freedom of Information and Protection of Privacy Act, 1989 and the Conservation Authorities Act, R.S.O. 1990, the principal purposes for which personal information collected on this document is intended to be used is:

- a) In the assessment of proposed works/undertakings relative to Ontario Regulation 41/24 and water related concerns;
- b) For the distribution of information to the applicant relating to programs and projects of Grey Sauble Conservation Authority;
- c) For watershed planning.

The Chief Administrative Officer of Grey Sauble Conservation Authority can answer questions about the collected information.

I/we, the undersigned hereby certify to the best of my/our knowledge and belief that all of the noted and attached information on this **“Application for Permit”** is correct and true. I/We further solemnly declare that I/we have read and fully understand the contents of this application, and specifically the Terms and Conditions, the Declaration and the Notice to Applicant.

Minimum Application Requirements Checklist

The checklist below includes minimum application requirements for applications for a permit under Section 28.1 of the Conservation Authorities Act. We recommend pre-consultation with staff to ensure all materials needed to complete the application are provided. Applicants will be notified if the application is incomplete. Should the application be deemed incomplete, the applicant will be notified about what information is required to complete the application. **Incomplete applications will not be processed for a decision.**

<input type="checkbox"/>	A plan of the area showing the type and location of the proposed development activity or a plan of the area showing plan view and cross-section details of an activity to straighten, change, divert or interfere with the existing channel of a river, creek, stream or watercourse, or change or interfere with a wetland;
<input type="checkbox"/>	The proposed use of any buildings and structures following completion of the development activity or a statement of the purpose of an activity to straighten, change, divert or interfere with the existing channel of a river, creek, stream or watercourse or to change or interfere with a wetland;
<input type="checkbox"/>	The start and completion dates of the development activity or other activity;
<input type="checkbox"/>	A description of the methods to be used in carrying out an activity to straighten, change, divert or interfere with the existing channel of a river, creek, stream or watercourse, or change or interfere with a wetland;
<input type="checkbox"/>	The elevations of existing buildings, if any, and grades and the proposed elevations of any buildings and grades after the development activity or other activity;
<input type="checkbox"/>	Drainage details before and after the development activity or other activity;
<input type="checkbox"/>	A complete description of any type of fill proposed to be placed or dumped;
<input type="checkbox"/>	A confirmation of authorization for the proposed development activity or other activity given by the owner of the subject property, if the applicant is not the owner; and
<input type="checkbox"/>	Payment of the applicable permit application fee.

IMPORTANT: In addition to the above, GSCA may request other technical information, studies or plans including information requested during pre-submission consultations between GSCA and the applicant as a requirement to complete the application.
