

TREE PLANTER (CASUAL)

Grey Sauble Conservation Authority is looking to fill the position of Tree Planter (casual).

Who are we?

Grey Sauble Conservation Authority (GSCA) is one of Ontario's 36 conservation authorities dedicated to protecting, restoring and enhancing our local natural environment. GSCA is a community-based environmental agency which owns and manages 11,734 hectares (28,995 acres) of some of the most scenic and environmentally sensitive lands in Ontario. For over 60 years, GSCA has been offering local renewable natural resource programs and services to its watershed municipalities and landowners. We care for the five major watersheds and several lake fringe watersheds within Grey and Bruce Counties. We are inspired to make a difference and we work to inspire a strong appreciation for nature within our communities.

Who are you?

You are dedicated and enthusiastic about forest management, ecological integrity, and the impacts of invasive species. You have a strong understanding of property and resource management, and sound decision-making skills. You have an outgoing personality that allows you to work effectively with multiple partners, stakeholders, and team members. You want a career that allows you to make a difference in your community.

Why work for us?

GSCA's Administrative Office is situated on over 200 hectares of pristine natural wilderness, complete with over seven kilometers of hiking trails and one of southern Ontario's most magnificent waterfalls. We offer competitive public sector pay. With a small, closely knit staff, you will know your co-workers by name, will make fast friends, and will have direct access to the considerable knowledge of these individuals. This is a great opportunity to further your experience in forestry and invasive species management.

Summary of Functions

Reporting to the Forestry Coordinator, the role of the Tree Planter is to assist with the planting of trees on private land and on Grey Sauble Conservation Authority (GSCA) lands and perform other forestry related activities.

ELIGIBILITY REQUIREMENTS

- Valid Class 'G' Ontario driver's license
- Knowledge of tree species and planting practices is considered an asset.
- Ability to demonstrate safe operation of vehicles, equipment, and tools.
- Able to work in a team environment.
- Team player with good organization, interpersonal, and oral and written communication skills
- Reliable, honest, hardworking, and motivated self-starter.

- Ability to work outdoors in many situations which may include extensive walking, rough terrain, and adverse weather
- Heavy lifting required (up to 25 kg).
- Valid First Aid Certification is considered an asset.
